Howrah, India

EDUCATION

2022 - 2026

Bachelor of Technology (CSE), Amity University Kolkata

CGPA: 7.4

2020 - 2022

ISC (Class XII), ST Thomas' Church School, Howrah

Marks : 69%

2017 - 2020

ICSE (Class X), ST Thomas' Church School, Howrah

Marks : 77.8%

INTERNSHIP EXPERIENCE

June 2025 – August 2025

Software Development Intern, Ementora EdTech

Developed AI-integrated web applications, including an AI chatbot, certificate generator, plagiarism checker, student progress tracker, and appointment calendar in a collaborative development environment.

PROJECTS

2026

CNN-BiLSTM: Stock Market Prediction with Sentiment Attention

Developed a CNN-BiLSTM stock prediction model integrating technical indicators and sentiment analysis with temporal attention and sentiment gating. Implemented walk-forward validation to prevent data leakage and achieved approximately 90% directional prediction accuracy.

2024

LW-RESSASE-NET: COVID-19 & Pneumonia Prediction using Chest X-rays

Developed a lightweight attention-based deep learning model using TensorFlow, Keras, OpenCV, and NumPy, integrating Squeeze-and-Excitation and Spatial Attention mechanisms to enhance feature extraction and classification performance.

SKILLS

- Java
- Python
- Machine Learning
- Deep Learning
